- 14:53 #srilanka's message to all tourists - only Sri Lankans can defile & insult the Dhamma & the Buddha <http://t.co/Z37CZEUY> #lka

- 14:59 @RukiJayaratna Nothing, in fact. Those depicted and quoted in the article, on the other hand, clearly do.
- 15:02 @RukiJayaratna Keep up with the news, and the connection will be rather clear. We assume you do read the news?
- 15:03 @RukiJayaratna If you don't mean the film, bravo! You figured it out.
- 15:08 @RukiJayaratna Quite right. There weren't any French involved in the defiling of the Dhamma in Dambulla. National hypocrisy, no less. #lka
- 15:09 @RukiJayaratna #srilanka jails tourists for defiling Buddhism, but allows its own brutish monks to go scot free  
<http://t.co/JIBUmwBU> #lka
- 15:11 @RukiJayaratna Why double standards? Why hold tourists accountable for a behaviour & decorum our own monks don't abide by? #lka #srilanka
- 15:15 @RukiJayaratna A "balanced view" that condones Dambulla's violence & is yet incensed by tourist behaviour reveals your & #lka's mindset.
- 15:18 @RukiJayaratna Both disrespect the Dhamma. One makes news & the law applied. The other, forgotten. To repeat, it's a national hypocrisy #lka

- 15:24 @RukiJayaratna It's all the rage now? But where's the outrage over Dambulla? Why not put them those monks to prison too? Why condone it?
- 15:28 @RukiJayaratna You don't choose to focus on Dambulla. Why? It's called "a lame, lame argument"  
<http://t.co/k5Dm0NwQ> #lka #srilanka
- 15:37 @RukiJayaratna Balance is in flagging the hypocritical outrage over French tourists when impunity like <http://t.co/Z37CZEUY> is unpunished.
- 15:41 @RukiJayaratna We suspect you've read it, but not comprehended it fully. We hope, in the fullness of time, you do.
- 15:45 @RukiJayaratna Again, deflection over the condemnation of the indefensible. When argument so roundly lost, rally inanity. Good luck.
